What is QuickBooks?

- QuickBooks is an accounting software developed by Intuit, primarily geared toward small to medium-sized businesses.
- QuickBooks is a widely used accounting software that helps businesses manage their income, payroll, and inventory more effectively. First introduced in 1992, this easy-to-use software streamlines business tasks by offering templates for spreadsheets, invoices, and financial reports.

The screenshot shows the QuickBooks Online Accountant interface. The left sidebar includes sections for 'YOUR PRACTICE' (Clients, Work, Team, ProAdvisor, Apps), 'BOOKMARKS' (Bank transactions, Bookmark this page), and 'YOUR BOOKS' (Client overview, Dashboards, Tasks, Transactions, Advanced accounting, Sales, Expenses, Reports, Payroll, Time). A 'New' button is at the top of the sidebar. The main area displays a 'Reminder of upcoming US federal holiday' message, followed by four promotional cards: 'EVENT: Join our CPE-Eligible webinar', 'OFFER: Bundle and save', 'NEW: ProConnect AI Briefing', and 'TRAINING: Recertification 2025'. Below these is a 'Client overview' section with tabs for 'Overview' (selected), Bookkeeping, Payroll, and Multi-entity. A message states 'We've added a filter to this list to help speed up the loading time.' The 'Client type' dropdown is set to 'Subscription' and the 'Lead accountant' dropdown is set to 'All'. A 'Find a client' search bar is present. A 'Customize' button is located in the top right of this section. The bottom of the main area features a navigation bar with tabs for 'Client / contact', 'Email / phone', 'Banking', 'Payroll alerts', 'Prep for taxes', 'Tax returns', and 'Lead'. A 'Menu settings' link is at the bottom left of the sidebar.

- Click on the “Finish” button.
- Our QuickBooks Online Accountant account has been created.
